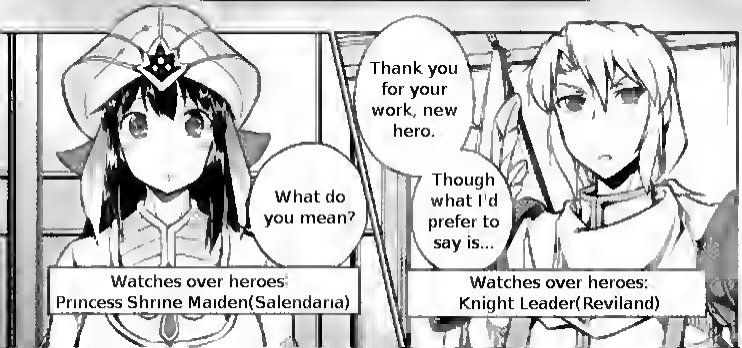
[Active heroes side]
Regardless of what you say, I look like a pervert

1.Active hero: Hero(Parallel universe #4)
Regardless of what you say, I look like a pervert. Really, thanks.
orz



What do you mean?
Watches over heroes:
Princess Shrine Maiden(Salendaria)
Thank you for your work, new hero.
Though what I'd prefer to say is...
Watches over heroes:
Knight Leader(Reviland)

Student appears!
Just what kind of hero do we have here?
"Regardless of what you say, I look like a pervert."
Watches over heroes: Student(Global state)
Looks like There's another hero in my world
Watches over heroes Detective(Parallel universe #4)
I'm finally done with work
Hey there, new hero
Watches over heroes Security Guard (Space-time public order administration)
Oh,
tell us the details
now this sounds interesting,
Watches over heroes Assassin(Retval)
8 Active hero Hero
As a kid, I too aspired to be like the heroes on TV.
But this is still just too much.
orz

What is this thing about being a perverted hero?
That's right, you are now a hero, what exactly is the problem?
You should just act like one, no?
A hero...
Well, aren't you one now?
you guys all imagine heroes differently, don't you?
no image
Ah, I have a guess,
Back when you were a kid, the heroes you saw on TV
were just humans, right?
The Earth series worlds definitely think of heroes as something a little different
True, we are all in distant places

17. Active hero: Hero
It's not like I've done anything wrong, why the hell is this happening to me?
orz

The "o" is a person's head, the "r" is his hands supporting his body against the ground, the "z" is his lower body with his knees on the ground
orz
It's basically a depiction of a person kneeling on the ground, hanging their head
Usually it's used to imply despair

If we're talking about an Earth series world there's really only one option
The topic was heroes wasn't it?
Yeah!

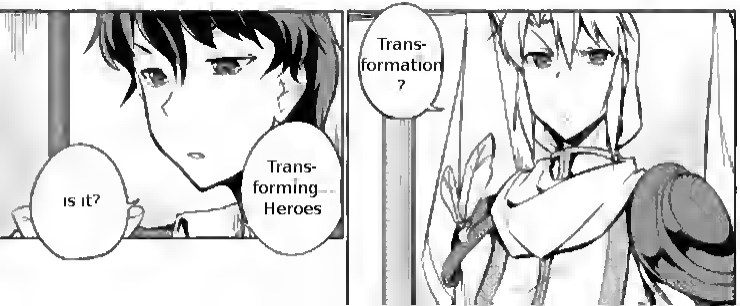
That aside
do you plan on explaining anything, Hero?
27 Active hero: Hero
Yes, it's that...
28 Watches over heroes~ PSM
Which would that be?
29 Watches over heroes~ Student
If we're talking heroes that kids love, it's gotta be the transforming ones, right?
NO image
30 Active hero: Hero
... Yes, transformations indeed...

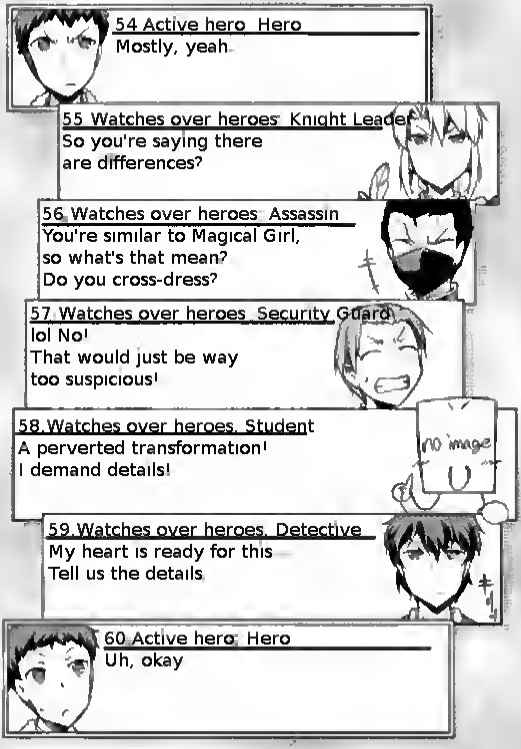
T/N: PSM= Princess Shrine Maiden



Now now, Detective,
the original episode was a joke in itself.
no image
What is going on with parallel universe #4?
First combining robots and now this, is this world just one big joke?
So what do you transform into, Hero?
Ah... I'm sorry.
Woah there, let's get back on track!
What is this original you speak of?
37 Active hero Hero
Into a hero.
38 Watches over heroes Assassin
Huh?
So you're not a hero unless you transform?
39 Active hero Hero
If I don't transform,
I'm just a normal person
40 Watches over heroes Knight Leader
This is making no sense...
it's a tough thing to explain.
and when you don't, you're just a normal person,
You only become a hero when you transform,
What can I say?

43 Watches over heroes' Knight Leader
Aah!
44 Watches over heroes' Assassin
I see
45 Watches over heroes' PSM
I understand it now
Think of Magical Girl
no image
*Refer to volume 1 chapter 3
46 Active hero' Hero
Huh?
Magical girls exist?!
It seems like you know one in the Earth series worlds...
48 Active hero' Hero
So there was someone in a similar situation to me...
Say, is she a proper magical girl?
no image
Yep, an incredibly orthodox magical girl!
50 Active hero' Hero
Magical Girl!
You are henceforth my enemy!
Which are you?
52 Active hero' Hero
Magical Girl!
I am henceforth your ally!
Although she's 20 years old and absolutely hates it. lol

So are you like Magical Girl in that you transform and fight involuntarily?
Umm, Hero?

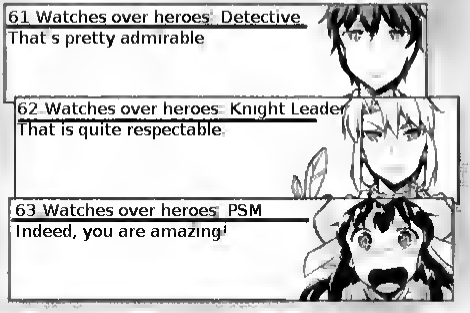


54 Active hero_Hero
Mostly, yeah
55 Watches over heroes_Knight Leader
So you're saying there are differences?
56 Watches over heroes_Assassin
You're similar to Magical Girl, so what's that mean? Do you cross-dress?
57 Watches over heroes_Security Guard
lol No! That would just be way too suspicious!
58 Watches over heroes_Student
A perverted transformation! I demand details!
no image
59 Watches over heroes_Detective
My heart is ready for this Tell us the details
60 Active hero_Hero
Uh, okay

I'm the second son of a farmer out in the sticks.
My older brother went off to the city to get a job and got married and now has no intention of returning.
My parents told me that I don't need to,
and that I could just go study something else
and find some other job.
So I'm studying agriculture in order to succeed the family
But I believe I've made the right choice.
Growing vegetables, fruit, and rice is pretty tough,
you have to be wary of the weather and animals
and even then a typhoon might just destroy the entire field

or my friend's kid, just make me feel fulfilled.
like my brother's kid in the city,

But the idea that someone might eat and and enjoy it,



61 Watches over heroes: Detective
That's pretty admirable
62 Watches over heroes: Knight Leader
That is quite respectable.
63 Watches over heroes: PSM
Indeed, you are amazing!

I went ahead and pulled it anyways.

and I found a weed I'd never seen before.

Anyways, I was weeding the field one day,

And harvested a fairy
ほんげ
A Fairy No, I'm fine, of course they exist
You sure harvested it! Is it like the black and white ones
no image
There it is!
and the only way to repel them is with the power of my love for the earth and vegetables
the Destructive Pipe kingdom seeks to steal the nutrition from our planet s soil,
According to it,
Detective is desperately resisting it lol
no image
There was the Evul empire after all
No, I'm fine
Destructive Pipe Kingdom

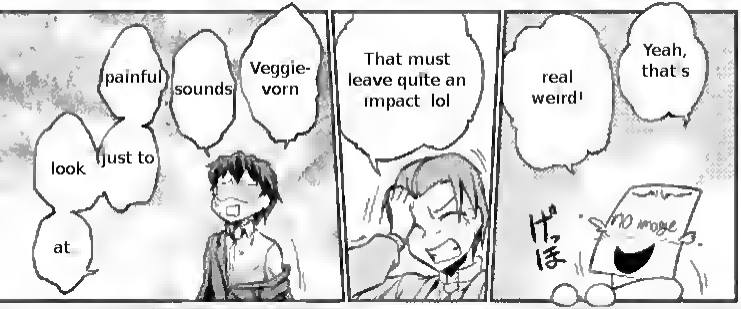
power of the earth!
Come to me,
Love for the earth!
Love for the heavens!
Love for people!
71 Watches over heroes: Knight Leader
And so, that fairy granted you a hero's power?
Yes.
73 Watches over heroes: Assassin
Ain't it natural that you got picked?
You do care about agriculture
Where's the perversion you're talking about?
74 Watches over heroes: Security Guard
Well, how about telling us what it is you shout out? lol
Alright
76 Watches over heroes: Assassin
Oh
77 Watches over heroes: Knight Leader
Huh?
78 Watches over heroes: PSM
Umm

This is a greater burdock
Greater burdock
Ahahaha! A greater burdock!
my body gets wrapped in light brown full body tights
And then
Reddish gauntlets then appear on my arms
Then, yellow greaves then appear on me.
This is corn.
Corn--
What the hell--
These are carrots
Carrots--
Ahahahaa! Carrots!

This is a bell pepper
A green breastplate is then equipped on me
Umm... What is it?
Bell pepper...
And lastly,
a red helmet conceals my face
This is a pumpkin
Orange colored trousers then appear on me
This is a tomato
Ahahah-
cough
Pumpkin... Pants...
Ahahaha hahaha!

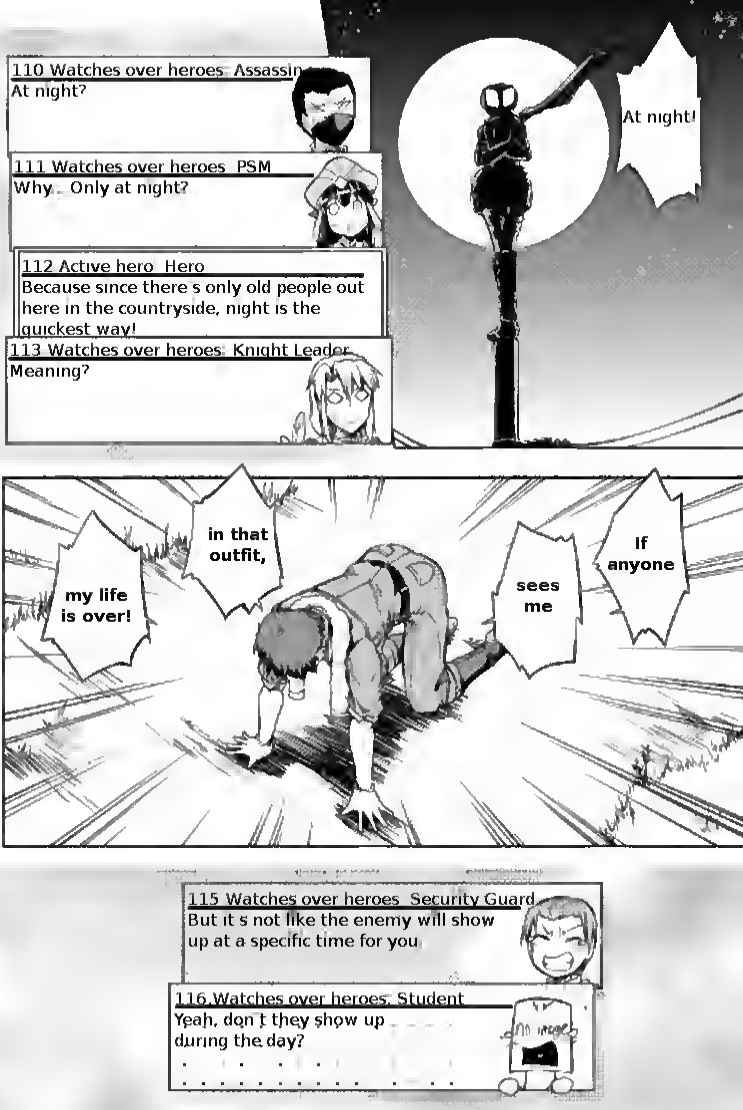
"Blessed by the earth,
Then
I make my appearance!"
"Veggievorn!"
我参上
And then it ends
Vorn
Veggie
Hahaha
cough
Haaah!
Haha!
Surely they only resemble vegetables
Those are just similes Right?
Colorful
It sounds
What the hell is this?

103 Active hero Hero
It's not a simile!
They're real!
They feel just like the real thing!
orz

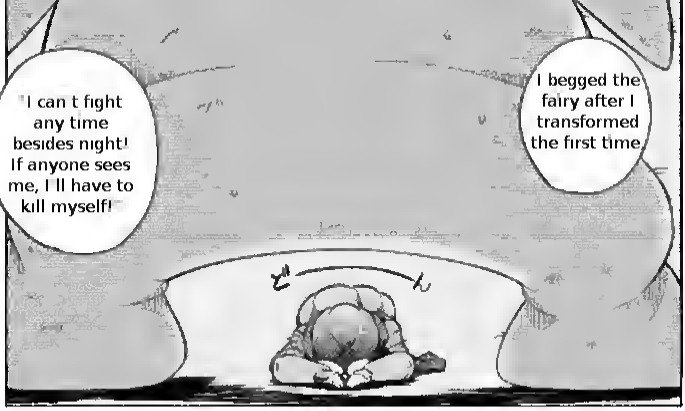


107 Active hero Hero
Yeah, it hurts to look at!
It hurts in general!
I love vegetables, and I love transforming heroes, but this is too much!
orz

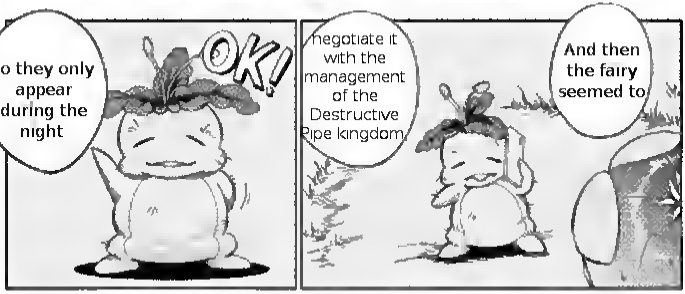
109 Active hero Hero
Yeah, I fight the scoundrels from the Destructive Pipe empire!



110 Watches over heroes: Assassin
At night?
111 Watches over heroes: PSM
Why... Only at night?
112 Active hero: Hero
Because since there's only old people out here in the countryside, night is the quickest way!
113 Watches over heroes: Knight Leader
Meaning?
At night!
my life is over!
in that outfit,
sees me
If anyone
115 Watches over heroes: Security Guard
But it's not like the enemy will show up at a specific time for you
116 Watches over heroes: Student
Yeah, don't they show up during the day?
. . . . . .
. . . . . .

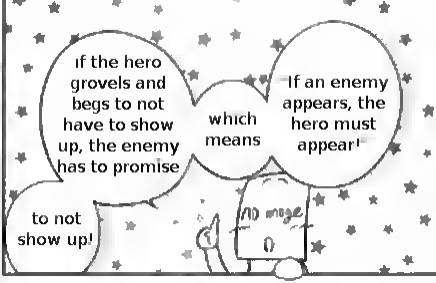


I can t fight any time besides night! If anyone sees me, I ll have to kill myself!
I begged the fairy after I transformed the first time



so they only appear during the night
OK!
negotiate it with the management of the Destructive Pipe kingdom
And then the fairy seemed to

118 Watches over heroes: PSM
Umm... Is that fairy connected to the Destructive Pipe Kingdom?
119 Watches over heroes: Assassin
That sure sounds like a casual relationship
120 Watches over heroes: Knight Leader
Hero and his enemies seem to actually be colluding.



123 Watches over heroes: PSM
The Earth series worlds' promises are just...
Ah, I really want some smelling salts now...

124 Active hero: Hero
What are smelling salts?

125 Watches over heroes: Assassin
Princess Shrine Maiden's a tippler!

126 Watches over heroes: Student
Princess Shrine Maiden's smelling salts are alcohol!
no mage

127 Watches over heroes: Knight Leader
Are you drinking again, Princess Shrine Maiden?
You are a Shinto priestess...

128 Watches over heroes: Security Guard
Since work's over and I've heard an interesting story, maybe I'll also go drink

129 Active hero: Hero
I see...
I'd like some smelling salts as well orz

130 Watches over heroes: Detective
Me, Too!
